

23 January 1963

MEMORANDUM FOR: Assistant for Administration

ATTENTION: Messrs. [redacted]

SUBJECT: Contract [redacted] "Collection and Field Mensuration Techniques for Ground Photographs"

REFERENCE: Letter from [redacted] Agency Contracting Officer, dated 19 December 1962

1. Reference letter requested an extension of time from 21 December 1962 to 25 January 1963 and an increase in cost from [redacted] upon the subject contract.

2. Discussions have been held between the undersigned; [redacted] the technical monitor; and [redacted] personnel concerning this request. In addition, inspection at the contractor's facility of the completed material, both textual and illustrative, has been made.

3. It is my opinion that [redacted] request for additional time and money is warranted and reasonable. [redacted] effort to date reflects considerable skill and talent on the part of their staff and the material examined at their facility is in excellent condition. The final product, in our opinions, will be a valuable contribution and certainly worth its cost.

4. [redacted] has indicated in the reference letter that no additional funds or time will be requested on this contract.
